This is the agenda for the Williams AFB, month of March BCT meeting, which is happening tomorrow. I am participating in the meeting by phone. The agenda includes 1) EBR decision tree summary discussion and 2) EBR Implementation Sequencing Plan discussion, and 3) Path Forward discussion. I'll debrief you on the meeting afterwards. I also have a Williams technical team meeting scheduled for Friday afternoon. It includes a contractor John C., suggested when he and I talked about this issue yesterday.
